And whereas a State of War unhappily exists between His Majesty the Emperor of All The Russias, and His Majesty The Emperor of Japan, and between their respective Subjects, and others inhabiting within their Countries, Territories or Dominions:

And whereas we are on Terms of Friendship and Amicable intercourse with each of these Powers, and with their several Subjects, and others inhabiting within their Countries, Territories or Dominions:

And whereas great Numbers of Our Loyal Subjects reside and carry on Commerce, and possess Property and Establishments, and enjoy various Rights and

Privileges, within the Dominions of each of the aforesaid Powers, protected by the Faith of Treaties between Us and each of the aforesaid Powers:

And whereas We, being desirous of preserving to Our Subjects the Blessings of Peace, which they now happily enjoy, are firmly purposed and determined to maintain a strict and impartial Neutrality in the said State of War unhappily existing between the aforesaid Powers:

We, therefore, have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation:

And We do hereby strictly charge and command all Our loving Subjects to govern themselves accordingly, and to observe a strict Neutrality in and during the aforesaid War, and to abstain from violating or contravening either the Laws and Statutes of the Realm in this behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their Peril:

And whereas in and by certain Statute made and passed in a Session of Parliament holden in the 33rd and 34th year of the reign of Her late Majesty Queen Victoria, intituled "An Act to regulate the conduct of Her Majesty's Subjects during the existence of hostilities between Foreign States with which Her Majesty is at peace," it is, among other things, declared and enacted as follows:—

"(2.) The Ship in respect of which any such Offence is committed, and her Equipment, shall be forfeited to Her Majesty :

"Provided that a Person building, causing to be built, or equipping a Ship in any of the cases aforesaid, in pursuance of a contract made before the commencement of such War as aforesaid, shall not be liable to any of the Penalties imposed by this Section in respect of such building or equipping if he satisfies the conditions following (that is to say) :—

"(1.) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives Notice to the Secretary of State that he is so building, causing to be built, or equipping such Ship, and furnishes such Particulars of the Contract and of any Matters relating to, or done, or to be done under the contract as may be required by the Secretary of State :

"If any Person within the Dominions of Her Majesty, and without the Licence of Her Majesty,—

"By adding to the number of the Guns, or by changing those on board for other Guns, or by the addition of any Equipment for War, increases or augments, or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting the warlike Force of any Ship which at the time of her being within the Dominions of Her Majesty was a Ship in the Military or Naval Service of any Foreign State at War with any friendly State,—

"Such Person shall be guilty of an offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the Offender is convicted ; and Imprisonment, if awarded, may be either with or without Hard Labour.

"(1.) Every person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such Expedition shall be guilty of an offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted ; and Imprisonment, if awarded, may be either with or without hard labour.

"(2.) All Ships, and their Equipments, and all Arms and Munitions of War, used in or forming part of such Expedition, shall be forfeited to Her Majesty.

"Any Person who aids, abets, counsels, or procures the Commission of any Offence against this Act shall be liable to be tried and punished as a principal Offender."

And whereas by the said Act it is further provided that Ships built, commissioned, equipped, or despatched in contravention of the said Act, may be condemned and forfeited by Judgment of the Court of Admiralty ; and that if the Secretary of State or Chief Executive Authority is satisfied that there is a reasonable and probable cause for believing that a Ship within our Dominions has been or is being built, commissioned, or equipped, contrary to the said Act, and is about to be taken beyond the limits of such Dominions, or that a Ship is about to be despatched contrary to the Act, such Secretary of State or Chief Executive Authority shall have power to issue a warrant authorising the seizure and search of such Ship and her detention until she has been either condemned or released by Process of Law. And whereas certain powers of seizure and detention are conferred by the said Act on certain Local Authorities :

Now, in order that none of Our Subjects may unwarily render themselves liable to the Penalties imposed by the said Statute, We do hereby strictly command that no Person or Persons whatsoever do commit any Act, Matter or Thing whatsoever contrary to the Provisions of the said Statute, upon pain of the several Penalties by the said Statute imposed and of Our High Displeasure :

And We do hereby further warn and admonish all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, to observe towards each of the aforesaid Powers, their Subjects, and Territories, and towards all Belligerents whatsoever with whom We are at Peace, the Duties of Neutrality ; and to respect, in all and each of them, the Exercise of Belligerent Rights.

And We hereby further warn all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, that if any of them shall presume, in contempt of this Our Royal Proclamation, and of Our high Displeasure, to do any Acts in derogation of their Duty as Subjects of a Neutral Power in a War between other Powers, or in violation or contravention of the Law of Nations in that Behalf, as more especially by breaking, or endeavouring to break, any Blockade lawfully and actually established by or on behalf of either of the said Powers, or by carrying Officers, Soldiers, Despatches, Arms, Ammunition, Military Stores or Materials, or any Article or Articles considered and deemed to be Contraband of War according to the Law or Modern Usages of Nations, for the Use or Service of either of the said Powers that all Persons so offending, together with their Ships and Goods, will rightfully incur and be justly liable to hostile Capture, and to the Penalties denounced by the Law of Nations in that behalf.

And We do hereby give Notice that all Our Subjects and Persons entitled to Our Protection who may misconduct themselves in the Premises will do so at their peril, and of their own wrong; and that they will in no wise obtain any Protection from Us against such Capture or such Penalties as aforesaid, but will, on the contrary, incur Our high Displeasure by such Misconduct.

Given at Our Court at *Buckingham Palace*, this eleventh day of *February*, in the year of our Lord one thousand nine hundred and four, and in the fourth year of Our Reign.

GOD save the KING.

The Most Honourable the Marquess of Lansdowne to the Lords Commissioners of the Admiralty :—

Foreign Office,

February 10, 1904.

My Lords,

His Majesty being fully determined to observe the duties of neutrality during the existing state of war between Russia and Japan; being, moreover, resolved to prevent, as far as possible, the use of His Majesty's harbours, ports and coasts, and the waters within His Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commanded me to communicate to your Lordships, for your guidance, the following Rules, which are to be treated and enforced as His Majesty's orders and directions :—

Rule 1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of His Majesty's colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station or place of resort for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to leave any such port, roadstead, or waters from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of His Majesty.

Rule 2. If there is now in any such port, roadstead, or waters subject to the territorial jurisdiction of the British Crown any ship of war of either belligerent, such ship of war shall leave such port, roadstead, or waters within such time not less than twenty-four hours as shall be reasonable, having regard to all the circumstances and the condition of such ship as to repairs, provisions, or things necessary for the subsistence of her crew; and if after the date hereof any ship of war of either belligerent shall enter any such port, roadstead, or waters, subject to the territorial jurisdiction of the British Crown, such ship shall depart and put to sea within twenty-four hours after her entrance in any such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed

to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessels (whether ships of war or merchant ships) of both the said belligerent parties in the same port, roadstead or waters within the territorial jurisdiction of His Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether a ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

Rule 3. No ship of war of either belligerent shall hereafter be permitted, while in any such port, roadstead or waters subject to the territorial jurisdiction of His Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer named neutral destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead or waters subject to the territorial jurisdiction of His Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

Rule 4. Armed ships of either belligerent are interdicted from carrying prizes made by them into the port, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of His Majesty's Colonies or possessions abroad.

The Governor or other chief authority of each of His Majesty's territories or possessions beyond the seas shall forthwith notify and publish the above Rules.

I have, etc.,

LOUISIANA PURCHASE EXPOSITION.

BOARD OF LADY MANAGERS.

Mrs. Daniel Manning, President.

St. Louis, Mo., February 16th, 1904.

EXCELLENCY: By an Act of the Congress of the United States, the Board of Lady Managers of the Louisiana Purchase Exposition is directed to join with the other constituted authorities in commemorating the great event in the history of the United States when, a century ago, there was added to its territory a new field which to-day is the home of many people and where earnest and sincere women, as well as men, are laboriously working out the problems of the progress of humanity, and the advancement of the race.

No single individual, no one people, no separate country can supply that full knowledge from which may be fixed the condition of mankind, its development in the industries, the arts, the sciences at the commencement of the twentieth century. The entire world must contribute to this knowledge and therefore the entire world has been invited to take part in this universal exposition and to bring hither the fruit of the lands, the products of other soils, the articles manufactured by foreign hands and evidences of the achievements of the intellect and intelligence in the higher fields of thought.

While in gathering all these things there is no distinction made between the work of man's hand and of woman's hand, between the product of man's mind and of woman's mind, nevertheless it is the peculiar function of this Board to act as the channel through which women as individuals and as organisations may be brought into immediate communication with the Exposition at St. Louis.

It is therefore with cordiality and eagerness that we invite the women of the Dominion to join with us in presenting to the world information of the condition, opportunities, development and promises of their sex in their own country and to exhibit at the Exposition specimens of their productions and examples of their activities, manual and mental, scientific and artistic.

And coupled with this invitation we would express the hope that we may be permitted to be of personal service to such women as may visit the Exposition in person, or to give special attention to the exhibits of such as may not be able to come.

Requesting Your Excellency's good offices to the end that due publicity may be given to the invitation in order that it may come to the knowledge of the women of the Dominion, I beg to assure you of the high consideration with which I am

Your obedient servant,

MARY MARGARETTA MANNING,

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of

time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
